I. Overview of Operating Authority

Depending upon the type of business operation (Motor Carrier, Broker, Freight Forwarder, Shipper, Vehicle Registrant, and/or Cargo Tank Facility) and what will be transported (property, hazardous materials, and/or passengers), companies may be required to register for both Interstate Operating Authority (Form OP-1 series or Form OP-2) and USDOT Number (Form MCS-150 series). The Federal Motor Carrier Safety Administration (FMCSA) enforces compliance with the Federal Motor Carrier Safety Regulations (FMCSRs) and the Hazardous Materials Regulations (HMRs), which govern safety and financial responsibility. FMCSA's registration requirements reflect the focus on both of these concerns.

FMCSA encourages all applicants with Internet access to use the online registration assistant at <http://www.fmcsa.dot.gov/online-registration> in order to determine FMCSA's registration requirements. Applicants without Internet access can call FMCSA at 1-800-832-5660 for assistance.

Who Needs Operating Authority?

Before beginning **interstate** operations in the United States (U.S.), all authorized for-hire Motor Carriers of non-exempt property and passengers, Brokers, and Freight Forwarders based in the U.S. or Canada must obtain Operating Authority by submitting the appropriate form(s) in the OP-1 series. For a description of the different types of OP-1 forms and the various FMCSA requirements for obtaining Operating Authority, please see "[What Are the Steps in Getting Operating Authority?](#)" (Topic IV) in this packet.

NOTE:

- Hawaii-based Motor Carriers that transport household goods, property or passengers within a terminal area (see 49 U.S.C. § 13504) must obtain Operating Authority. Carriers that operate solely within the State of Hawaii and do not transport household goods are *not* required to obtain Operating Authority.
- Mexico-based Motor Carriers should refer to http://www.fmcsa.dot.gov/espanol/forms_sp.htm (Spanish) or <http://www.fmcsa.dot.gov/espanol/english/forms.htm> (English) for more information.

In addition to Operating Authority, some Motor Carriers of property or passengers must obtain a USDOT Number before beginning interstate operations. Please consult "What Forms Do I Need to Complete?" at <http://www.fmcsa.dot.gov/reg-forms> which specifies the required forms for both Operating Authority and USDOT Number.

II. How to Apply

Applications may be submitted online or mailed to FMCSA. Compared to mailing, the online method reduces processing time by as much as 2-3 weeks, thus enabling companies to begin their operations sooner.

Remember, operations cannot begin until the certificate, permit, or license for Operating Authority has been received. For more information, see "[What Are the Steps in Getting Operating Authority?](#)" (Topic IV) in this packet.

Apply Online

Applying online requires the use of a valid credit card (American Express, Discover, MasterCard, or Visa). Those who do not wish to submit their credit card information online must complete the application and payment by mail (see “Apply by Mail” below).

The following tips are encouraged:

- Go to <http://www.fmcsa.dot.gov/online-registration> and complete the “Step-by-Step Registration Guide” prior to starting the application. The registration guide will lead users through a series of questions. Based upon the answers to the questions, the guide will identify required registration forms and link users directly to the online application form.
- Utilize the form instructions during the completion of the online form. This will help to ensure that the application is completed accurately.

NOTE:

- The applicant’s legal name (or the authorized representative’s name) must match the name and billing address of the credit card.
- Record the MC or FF Number that is provided after approval of the application. This number will be needed on the insurance and process agent forms that are required to complete the application process for obtaining Operating Authority (for more details, see [“What Are the Steps in Getting Operating Authority?”](#) (Topic IV) in this packet). This number may also be needed for any correspondence with the FMCSA.

IV. What Are the Steps in Getting Operating Authority?

For Motor Carriers, Brokers, and Freight Forwarders based in the U.S. or Canada, the Operating Authority application process includes the six steps shown below. Motor Carriers based in Hawaii or Mexico should see the NOTE in [“Overview of Operating Authority”](#) (Topic I) in this packet.

Step 1 – Application for Operating Authority

Motor Carriers, Brokers, and Freight Forwarders begin the Operating Authority application process by submitting one (or more) of the following forms with the appropriate application processing fee:

- **OP-1** - Operating Authority for:
 - **Motor Carrier** (common property, contract property, common household goods, or contract household goods)
 - **Broker** (property or household goods)
 - **United States-based Enterprise Carrier** (international cargo or international household goods)
- **OP-1(P)** - Operating Authority for **Motor Passenger Carrier** (common or contract)
- **OP-1(FF)** - Operating Authority for **Freight Forwarder** (property or household goods)

NOTE:

- For descriptions of the different types of Operating Authority, see “[SECTION II – Type of Authority](#)” under “[How to Complete the OP-1\(FF\) Application for Freight Forwarder Authority](#)” (Topic V) in this packet.
- To identify the required form(s) for Operating Authority as well as USDOT Number, see “What Forms Do I Need to Complete?” at <http://www.fmcsa.dot.gov/reg-forms>.

Step 2 – Grant Letter and MC/FF Number

Applicants will receive a grant letter after FMCSA processes and accepts the Operating Authority application as follows:

- If applying online, a Motor Carrier (MC) or Freight Forwarder (FF) Number will be provided immediately and the confirmation grant letter will arrive via mail.
- If applying by mail, the grant letter should arrive via mail in approximately 4 weeks. This letter will include the MC or FF Number. Applicants have the option of checking the status of their application online. See “[Information Sources](#)” (Topic VI) in this packet for instructions.

Insurance Companies and Process Agents will use the MC or FF Number to make the appropriate filings on behalf of applicants to complete the application process for obtaining Operating Authority.

NOTE: Although an MC or FF Number has been assigned, this does not represent Operating Authority. The company may not begin to operate until it has received the corresponding certificate, permit, or license for Operating Authority described in [Step 6](#).

Step 3 – 10-day Protest Period

At the same time the grant letter is mailed, each company’s application for Operating Authority will be published in the *FMCSA Register*. This publication initiates the 10-calendar-day protest period, during which any individual can file a protest with FMCSA stating why a company should not be issued Operating Authority. FMCSA will accept protests sent by mail as long as they are postmarked by the last day of the protest period. FMCSA will provide the applicant with information on the adjudication process if any protests are filed. During this protest period, Insurance Companies and Process Agents can file the necessary documents detailed in Step 4 and Step 5 below.

To view the *FMCSA Register*, go to <http://li-public.fmcsa.dot.gov> and then follow the steps below:

- 1) Read the introductory page and then click the “Continue” link
- 2) Select the “FMCSA Register” option in the dropdown menu and click “Go”
