

# QUERY PLANS NOW AVAILABLE FOR PURCHASE

Be Prepared for January 6, 2020

Employers of CDL drivers can now purchase a query plan. Purchasing a query plan enables employers, and their designated consortia/third-party administrators (C/TPAs), to conduct queries for all current and potential new employees, as required per § [382.701](#). Query plans may

be purchased only on the FMCSA Clearinghouse website by registered employers. [Download the instructional job aid](#) and visit <https://clearinghouse.fmcsa.dot.gov/query/plan> to learn more about query plans.

A separate query plan must be purchased for each individual company.
