Summary of Rule Change

FMCSA amends its regulations to eliminate the requirement that drivers operating commercial motor vehicles (CMVs) in interstate commerce prepare and submit a list of their convictions for traffic violations to their employers annually. This requirement is largely duplicative of a separate rule that requires each motor carrier to make an annual inquiry to obtain the motor vehicle record (MVR) for each driver it employs from every State in which the driver holds or has held a CMV operator's license or permit in the past year. To ensure motor carriers are aware of traffic convictions for a driver who is licensed by a foreign authority rather than by a State, the Agency amends the rule to provide that motor carriers must make an annual inquiry to each driver's licensing authority where a driver holds or has held a CMV operator's license or permit.
